## INTRODUCTORY FLIGHT

With more than 35 years of experience in the greater aviation industry, it is our passion to encourage young and new aviators to enjoy the freedom of flying. The structure of aviation rests on a sound solid foundation of ambition, passion, safety, quality and affordability.

Stick n Throttle is redefining the meaning of aviation training and excellence. Our highly qualified and experienced instructors facilitate the courses and engage the pilot in a constructive learning environment.

Our training system is built on a solid foundation. We strive to ignite and keep alive an aviator's passion with an endless quest for discovery.

This auction item is ideal for an aviation enthusiast who would like to begin the journey of flight training. The time flown in the aircraft will be your first entry in your logbook!

## TERMS AND CONDITIONS

This offer includes:

- Pre-flight briefing with a qualified instructor.
- Introductory flight in a Piper Warrior with a qualified instructor for 1 (one) person lasting approximately 40 minutes.
- Introduction to synthetic flight training in a 3-motion (non-SACAA qualified) flight simulator, 30 minutes. (Time in the simulator cannot be logged)
- Post-flight debriefing.
- The flight will be conducted from our training premises at Morningstar Airfield in Cape Town.
- This offer does not include transportation costs to Cape Town/Morningstar Airfield – this is for the winning bidder's account.
- These terms and conditions are those of the generous donor of the lot for auction and are supplementary to the terms and conditions of registration for the auction
